ON TAP

Terminal Gravity IPA

British IPA | 6.9% ABV | 70 IBU's

Terminal Gravity's IPA (Indian Pale Ale) is a copper to honey colored ale with a rich malt character and a clean bitter hop finish. This full bodied beer uses malts from Scotland, Belgium and the Pacific Northwest to achieve a slightly nutty lightly toasted taste. Yeast esters provide hints of stone fruits like apricot and peach, while hops from Yakima and Eastern Europe provide grapefruit and spicy notes.

Terminal Gravity

Extra Special Golden

American Golden Ale | 5.4% ABV | 18 IBU's

Terminal Gravity's American golden ale. It is light and refreshing, but also complex, with a crispness from flaked rye and a hint of peat smoke. Subtle hops from the Rhine and Yakima river valleys do not overwhelm.
